

# ACINUM

## VALPOLICELLA DOP

Acinum is a collection of exquisite wines selected by Fabrizio Pedrolli in order to enrich the Vias portfolio with the best Italian territories and wineries.

This selection starts from the historical wine areas of Veneto, Negrar in Valpolicella and Monteforte d'Alpone in Soave. These wines are the result of a successful collaboration with the family of Edoardo Montresor, who cultivate the grapes, and the enological expertise of Enrico Paternoster.
