

PRIETO PICUDO ROSADO

THE WINE

The Bodegas Pincerna Rosado brings together qualities that make it unique: it is young, fresh and elegant, never heavy. From the first sip, the immediate impression is one of intense aromatic expression on the palate, particularly of strawberry, combined with deeper, less fresh aromas. A slight bitterness on the finish, never unpleasant, invites you to take a second sip.

HARVEST & WINEMAKING

D.O.: León

Varietal composition: 100% Prieto Picudo

Harvest: harvesting begins in the cooler vineyard areas. Harvest timing is also crucial: the grapes are picked slightly earlier than those destined for the other wines, when they have lower alcohol potential but greater aromatic intensity.

Leaving the grapes longer on the vine would reduce the aromatic fraction while increasing the alcoholic fraction, which is not desirable for Pincerna Rosado.

Vinification: once the grapes reach the winery, every stage of the winemaking process is focused on preserving the aromatic character, allowing it to be fully expressed in the glass.

TECHNICAL DATA

Alcohol: 13%

Acidity: 5.8 g/l

FOOD PAIRINGS

Perfect with ajoarriero-style cod, fish dishes, paprika-seasoned dishes and hearty legume stews.

TASTING NOTE

Strawberry-pink in color, with an intense nose of red berries, strawberries and raspberries, complemented by an elegant touch of anise and citrus. Soft and persistent on the palate, with a slight bitterness characteristic of the grape variety.

PRODUCER PROFILE

Estate owned by: group of partners

Winemaker: Andrés Martín

Region: Grajal de Campos (León-Spain)
