CAMIGLIANO

**CAMIGLIANO**

**Brunello di Montalcino DOCG 2011**

**TOSCANA**

February 2016

“The 2011 Brunello di Montalcino is laced with dried cherry, tobacco, mint, anise, crushed flowers and dried herbs, all in an attractive, juicy style that is best appreciated sooner rather than later. This is a pretty, forward, Brunello from Camigliano that will drink well pretty much upon release, as the flavors show a good bit of development.”
