CAMIGLIANO Brunello di Montalcino DOCG 2011

TOSCANA

March 2016

“The 2011 Brunello di Montalcino opens to soft layers of plush fruit and red cherry. The wine shows a ripe side to the vintage with bold fruit that is chewy and rich. Despite the wine’s opulence, it never feels jammy or overdone. In fact, it reins in that extra sunshine with expert care and attention. In contrast to the richness of the bouquet, the medium-bodied mouthfeel is toned and exhibits less dimension overall. The appeal here is genuine and immediate.”
