Civico 10, also known as Via Roma 10 in the town of Piobesi d'Alba, is the address of the original premises of Distilleria Sibona. It is here that, with passion and wisdom, we created the original recipe for this Vermouth, which has recently been perfected and enriched using exclusively Nebbiolo d'Alba D.O.C. wine.

Among the herbs and spices, those that stand out clearest are Piedmontese artemisia, sweet and bitter orange, vanilla and gentian.
