

Rubiolo Chianti Classico DOCG 2018

SCORE

90

Region: TUSCANY

One of the best value wines in Tuscany, the 2018 Chianti Classico Rubiolo is a lovely Sangiovese with most of its fruit sourced from the estate's Panzano property and some from Castellina. In fact, this is one of a handful of wineries in the appellation that purposefully blends fruit from different townships. The wine is delicate and fresh with plenty of wild cherry and blue flower. It falls lightly onto the palate with silky, featherweight intensity.
