## LA PODERINA Rosso di Montalcino DOC 2013

**TOSCANA**

February 2015

“The 2013 Rosso di Montalcino opens to rich aromatic layers of red fruit and cherry syrup with loads of plump, chewy freshness. The 2013 vintage was difficult with heat toward the end of the growing season, but this Rosso has absorbed the unevenness nicely. The fruit never feels heavy. In fact, it tastes smooth and rich, imparting red fruit flavors along the way. Roast chicken or other white meats would make a perfect pairing partner.”
