LECHTHALER Teroldego Rotaliano TRENINO DOP 2013

TRENINO

May 2016

"Also part of the Dragon line, the 2013 Teroldego Rotaliano Drago is a easy-drinking red wine with bright aromas of sour cherry, wild berry and bitter almond. This expression is not as soft and rich as other popular interpretations of the grape. Instead, here you get a more thorny approach with sharp contours and crisp acidity that leaves it mark. Only 10% of the wine sees oak aging. Drink 2016-2019."
