

# TENUTA MARSILIANA

## MARSILIANA IGT COSTA TOSCANA

### TASTING NOTE

Marsiliana is considered a real Bordeaux blend cru thanks to its history and perseverance. Dark and compact ruby red with youthful and consistent reflections, it offers intense and defined aromas of blackberries and blueberries, cloves and juniper berries, black pepper and oriental spices. The sip is compact and voluptuous, silky in the tannic perception and supported by an intertwining of freshness and salinity that give the wine a highly satisfying drinkability despite its austere nature.

Bonus: depth
