

TRENTINO

MASO POLI
Pinot Grigio Trentino DOC 2014

88+

“Laced with honey, acacia flower, and fresh tangerine skin. One-third of the wine is aged in oak. The wine is fragrant and abundant, and these qualities definitely stand in contrast to the difficult conditions of the vintage. But crisp mountain air and deep shifts between day and nighttime temperatures have obviously played a role in enhancing the aromas of this pretty white wine. Some 40,000 bottles are made. Drink through 2018.”
