

PRODUTTORI DEL BARBARESCO Barbaresco DOCG 2010

PIEMONTE

June 2015

The 2010 Barbaresco opens to beautiful aromas of forest floor, white truffle and cola. All the fruit from Produttori del Barbaresco's single-vineyard wines are packed into this one base Barbaresco. The wine is sharp and focused and, although it does not have the soft generosity of 2009 or 2011, this is a wine of enormous elegance. I did not find the mouthfeel to be exceedingly thin. In fact, I noted the persistence, freshness and liveliness of the finish.
