

PRODUTTORI DEL BARBARESCO Barbaresco DOCG 2011

PIEMONTE

October 2014

“The Produttori del Barbaresco’s 2011 Barbaresco presents an intriguing combination of the expressive, resonant fruit typical of the vintage wedded to a firm sense of tannin. Rose petal, mint, cherry pit and chalk notes open up on the expressive bouquet and mid-palate before classic Nebbiolo tannins make their presence felt. The flavors are already a touch forward, which suggests the 2011 won’t be one of the more longer-lived vintages here, but that is of course in relative terms for a house where the wines typically deliver fine drinking for several decades.”
