

## PRODUTTORI DEL BARBARESCO Barbaresco DOCG 2011

### PIEMONTE

June 2015

The delicious 2011 Barbaresco is a very well-integrated and balanced wine that shows an impressive level of elegance. Soft oak spice is fused with red berry fruit and balsam herb. You feel some of the heat of the vintage in the ripeness of the fruit, but those qualities never subtract from the wine's overall harmony. Soft fruit flavors are woven between tight tannins and long persistence.
