

PRODUTTORI DEL BARBARESCO Montestefano Barbaresco Riserva DOCG 2009

PIEMONTE

June 2015

The 2009 Barbaresco Riserva Montestefano shows a high degree of boldness and opulence. This is an immediately generous wine with soft fruit flavors of blackberry and Morello cherry. It shows thick natural density with good tannin management. You sense the structure at the back but the wine never feels astringent or rough. Riserva Montestefano exhibits a tight, thickly woven texture that will contribute to slow the wine's future evolution. In other words, this wine is built like a tank.
