

PRODUTTORI DEL BARBARESCO Montestefano Barbaresco Riserva DOCG 2011

PIEMONTE

December 2015

The 2011 Barbaresco Riserva Montestefano is one of the least expressive of these wines. Inward, powerful and explosive, the 2011 is not in a mood to show much today, that is pretty clear. Still, there is an obvious energy here that is impossible to miss. A firm spine of tannin gives the wine much of its signature power. Dark red cherry, smoke, pomegranate and scorched earth blossom on the dramatic finish. A wine of real density and gravitas, the 2011 Barbaresco Riserva Montestefano stands out for its pure, unbridled energy and overall intensity.
