

PRODUTTORI DEL BARBARESCO Barbaresco Riserva Montestefano 2011

PIEMONTE

June 30, 2016

"The 2011 Barbaresco Riserva Montestefano is the biggest of the bunch. This wine delivers a lasting sense of structure and intensity that is especially apparent as this Barbaresco hits the palate. The bouquet exhibits signs of ripe fruit with soft layers of blackberry preserves and cherry liqueur. The wine's tannic structure is solid and firmly stitched together, yet this wine is slightly softer and perhaps sweeter than the Riserva Muncagota, for example. This is yet another wine destined for long bottle-aging."
