Wines of 2022

**Muncagota Barbaresco Ris. DOCG 2017**  
Produttori del Barbaresco

**95pts**

Presents a bright, pure expression of cherry, strawberry, rose and grassy aromas and flavors underscored by a vein of minerality, with tannins that flex their muscles on the long finish. Intense but balanced, with tension that bodes well for future evolution.

*Best from 2026 through 2043.*
