

PRODUTTORI DEL BARBARESCO Rabajà Barbaresco Riserva DOCG 2011

PIEMONTE

December 2015

The 2011 Barbaresco Riserva Rabajà is quite backward today, with intense, salivating tannins that cut through the fruit. The trademark Rabajà balsamic flavor profile is there, with notable darkness and plenty of structure that add complexity to a core of crystalline fruit. Energetic and powerful, with searing tannin and exceptional balance, the Rabajà is going to require considerable patience. The only question is how much.
