

TRENTINO

TENUTA SAN LEONARDO
Vette Sauvignon Blanc
Vigneti delle Dolomiti IGT 2015

90

“A delightful surprise that brings together the cool climate growing conditions of the Dolomites with one of the wine’s most pleasantly fragrant varieties. The wine delivers a deep sense of authenticity with perfumed notes of yellow rose, passion fruit, talcum powder, and mountain herb. In terms of mouthfeel, it shows a compact and tightly knit texture, as well as a fresh point of crispy acidity. Drink through 2019.”
