VIE DI ROMANS
Piere Sauvignon Blanc Friuli Isonzo DOC 2013

FRIULI-VENEZIA GIULIA

May 2016

"Vie di Romans continues to be one of my favorite estates in Northeast Italy, and this wine is yet another reason why. The 2013 Friuli Isonzo Rive Alte Sauvignon Blanc Piere Sauvignon is true to the grape and beautifully fragrant at the same time. No oak is used. The bouquet is full of energy and offers vibrant tones of passion and exotic fruits, white rose and perfumed honey. The 2013 vintage feels especially focused and sharp. In the mouth, this beautiful Sauvignon is silky and smooth with a streamlined style and long persistence. This is a standout Sauvignon. Drink: 2016-2022."
