**FRIULI-VENEZIA GIULIA**

May 2016

*"The 2013 Friuli Isonzo Rive Alte Chardonnay Ciampagnis Vieris shows the best of the grape variety and the best of the Friuli Isonzo microclimate. No oak is used here. This is a medium to full bodied white wine with an enduring sense of creaminess and soft richness that feels soothing and silky on the palate. The wine's aromas offer similar themes of opulence and intensity with stone fruit, candied orange peel, crushed mineral, dried garden herb and plenty of fruity consistency. This is a lovely effort. Year after year, Vie di Romans makes some of my favorite Italian Chardonnays. Drink: 2016-2025."*
