

Montepulciano d'Abruzzo DOC
CANTINA VALLE TRITANA

A medium red color with a slight terracotta cast, the 2024 Pinot Noir Dux Vineyard is fantastic and beautifully focused, with cranberry, currant, cinnamon, and dusty earth. Medium-bodied, it captures the density Dundee is known for without the astringency that can obscure its beauty. Refreshing salinity, bright acidity, and approachable fruit carry through the finish. Picked a bit earlier and incorporating stem inclusion for longevity, this is a beautifully balanced wine.
Drink 2026-2046.
